

Immanuel Kant Baltic Federal University

Immanuel Kant Baltic Federal University

Immanuel Kant Baltic Federal University is a leading public university located in Kaliningrad, Russia. Established in 1947, the university is named after the famous philosopher Immanuel Kant. It offers a wide range of programs including medicine, engineering, natural sciences, information technology, and humanities.

The university is recognized by major international and medical bodies such as NMC and WHO. Known for its modern infrastructure, research-oriented education, and experienced faculty, the university provides quality academic training.

With affordable tuition fees, European-style environment, and strong international partnerships, it attracts students from many countries.
